

# HEAVY DUTY LIGHT WEIGHT

**PNV-19 is a truly remarkable tool!** You can even operate the tool with one hand. It weighs only 2.4 Kg with needles but has **full power with low air consumption and hardly any vibrations!** With our **patented green air drive system** you can work faster and all day without getting tired. Try it and see why **IPT tools are the only truly green choices!**

**Powerful and Superior** to any other small needle gun available today. Ideal for:

- Rust and paint removal
- Weld scaling and dressing
- Concrete work and general cleaning
- Removal of marine scale and incrustations
- **One hand operation possible!**

- **Low air consumption**
- **Low noise level**

- **Easy needle exchange**
- **Chisel Adapter** available
- **Rubber sleeve and grip for comfort**
- **Extremely low vibration**

**Unmatched power for its size, extremely low vibration and low weight minimize long term health risks and lowers fatigue.**

TECHNICAL DATA (6.3 bar air pressure)									
Model	Length	Weight	Vibration*	Noise**	Frequency	Air flow	Needles	Hose Conn.	Size Hose
PNV-19	272 mm	2.4 kg	3.2 m/s <sup>2</sup>	89 dB (A)	110	1.9 l/s	19	1/4 inch	10 mm

\*Per ISO 28927-9 (ISO 8662 gives  $\leq 2.5$  m/s<sup>2</sup>)

\*\* See instruction manual for details
